## Comments Details

**Commenter Type:** Ambivalent

**Stance:** Customer made comments neither objecting to or  
supporting the Planning Application

**Reasons for comment:**

**Comments:** The North Wessex Downs AONB accept in principle the  
potential to locate this use at Beale Park. However, it is  
difficult to comment on potential landscape impacts at  
this stage based on the level of information in this outline  
application. The objections from the Council's Ecology  
Officer are also noted based on the level of information  
available to consider ecological impacts and loss of  
existing landscaping at this time.
